

PRINCE2[®] Distance Learning

Product Overview

PRINCE2 Distance Learning Courses provide an easily accessible internet learning method, supported by accredited online PRINCE2 instructors with many years experience in project management training.

The university accredited modules use a unique learning concept, ensuring maximum retention for all types of learners. Interactive quizzes, mock examinations and online forums are all available to help delegates move forward with their course.

Our PRINCE2 online system gives the flexibility of online learning coupled with the valuable support of a qualified instructor to ensure you are fully prepared to pass your exam.
